

**Research shows that when  
parents are involved  
students have:**

- **Higher grades, test scores, and graduation rates**
- **Better school attendance**
- **Increased motivation and better self-esteem**
- **Lower rates of suspension**
- **Decreased use of drugs and alcohol**
- **Fewer instances of violent behavior**

## Parent Academy:

These parent-educational opportunities will give you the tools to support the academic, social, and emotional growth of your middle school child. These workshops will be presented by OMS staff with extensive middle school experience and expertise.

Workshops will take place at 7:30 pm in the OMS Library.

**September 19, 2011**

### "Middle School Skills for Success"

Ms. Sapienza

This workshop will assist parents in reinforcing skills and strategies that promote academic success during the transition to middle school. In addition parents will view a demonstration of the newly introduced **parent portal**.

**November 2, 2011**

### "LOL...But Are We Really Laughing?"

Ms. Daly & Ms. Dunne

Exploring the changing reality of "techno-socializing" and its impact on adolescents. You'll develop a working understanding of how kids are using popular social networking sites. In addition **active reputation management** skills will be discussed and supportive resources will be provided.

January 10, 2012

### "Bullying Proofing Our School"

During this workshop parents will gain and understanding of Oceanside School District's comprehensive approach to bullying prevention. In addition, we will explore the roles that students play in bullying situations and how to identify bullying situations as well as strategies for victims, up-standers.

Dr. Allison Glickman-Rogers

**April 16, 2012**

### "Who's the Boss? - Setting limits for the middle school student"

Dr. Lamparello, Dr. Fleischer & Ms. Salzberg

Setting limits for adolescents can often be difficult. Learn ways to create and implement a set of fair and consistent rules for your child to follow at home. The workshop offers tools and behavioral techniques to help parents determine how to set reasonable boundaries and implement appropriate consequences when necessary.

**May 7, 2012**

### "What to Know Before They Go- Answering questions about the high school transition"

Mr. Helmrich & Ms. Broderick

The workshop prepare parents for the transition to the high school. The workshop will :

- Describe how the high school program is different from the middle school
- Discuss the difference between Regents and honors courses
- Present a sample 9th grade schedule
- Offer strategies to ensure success

## Principal's Tea:
