

The Oceanside School District
and the
Oceanside Professional Development Center
present a PASS Workshop:

Heroin on Long Island: Face the Facts

A WORKSHOP FOR PARENTS

Don't miss this important, informational meeting for parents and community members on the increased use of heroin and other drugs among teens on Long Island

Presented by a panel of speakers including:

Victor & Doreen Ciappa
Parents, "Natalie's Story"

Dr. Stephen Dewey, M.D./PH.D.
The Feinstein Institute (LIJ)
"Drug Use and the Effect on Brain Development of Teens"

Michael Zotto & James Murphy
Retired 1st Grade Detectives
NYC Police Department
"The First-Hand Effects of Drug Use"

When: Tuesday, January 19, 2010 @ 7:30 P.M.
Where: Oceanside High School Auditorium

Following the seminar, representatives from local agencies specializing in substance abuse and prevention will be available to answer questions and address audience concerns.
